### **Art Show at Public Library**

BREWSTER- The Brewster Ladies' Library is hosting an exhibit by ArtSynergies during the month of December. Artists Doering, Doyle, Jore, and Taylor create meaningful art using contemporary tools. Their process involves digital manipulation, hands on multimedia experimentation, and innovative printing techniques on unusual substrates.

The impressive show will be open to the public during regular library hours beginning Tuesday, December 2 through December 30. A special reception will be held on Sunday, December 7 from 2:00-5:00 p.m. to meet the artists and discuss their works. A portion of the sales proceeds benefit the library.
