### **Kristi Aresvik Putnam Hay Family Program**

BREWSTER- The Kristi Aresvik Putnam Hay family program will be held at 2 p.m. on Thursday, July 17 at the Brewster Ladies' Library, 1822 Main Street. The program honors Ms. Hay, who passed away last October, for the many accomplishments and contributions she made to the Brewster public and school libraries. In 2006 the family of Kristi Hay established a fund to continue her legacy as an advocate of library services for children. The fund has been used to purchase children's books and to host an annual event.

This year's family program, "Roxaboxen" features an interactive storytelling performance by Sarah Salerno Thomas. Members of the audience will be invited to participate by acting as characters in the story which explores the election process. Thomas is the founder of Boston based Imagine That! Productions and is known for her innovative programs.

Refreshments will be served. Admission is free and all are welcome.
